RE: *Dr. Muhammad Mirza and Allied Medical and Diagnostic Services, LLC v. Julie Sperber et. al*; Case no. 1:18-cv-06232-LAP

Nunc Pro Tunc Extension Request<sup>1</sup>

Dear Judge Preska:

I, *pro se* defendant Julie Sperber in the above-referenced matter, respectfully request an extension, nunc pro tunc, of the March 20<sup>th</sup> deadline you set to answer to the complaint regarding the matter referenced above.

As an elderly *pro se* litigant with very limited knowledge of the legal system, I was not able to comply with the court's directive to respond to the complaint in a timely fashion. Having sought assistance from the NYLAG *pro se* clinic, I now ask for consideration of a 30 day extension to answer the complaint by May 12, 2019. This is my first request to extend this deadline. I have left a voicemail asking the opposing counsel for an extension, but have yet to receive a response.

Sincerely,

Julie Sperber
